Official Announcement # 21-04

FROM: Lisa Eason, Deputy Commissioner, DOAS *LE*

RE: **Fiscal Year Cut-Off Dates**

The Department of Administrative Service (DOAS) State Purchasing Division (SPD) is announcing the deadline for State Entities to request purchasing assistance for new contract execution required by the end of this fiscal year (June 30, 2021).

As purchasing personnel throughout the State are actively working to meet their customers' expectations, competing priorities must be balanced with the realities of processing times and limited staffing across the State. State Entities required to seek DOAS assistance for procurement activities above their Delegated Purchasing Authority (DPA), must engage the Agency Sourcing Team as soon as possible. While it is DOAS' goal to provide assistance to all State Entities, a focus will be placed on solicitation projects already requested and new solicitation projects with a high level of complexity with a requirement to be completed by June 30, 2021.

Other alternatives may be available when determining the end of the year priorities. Please remember to:

1. Request full or conditional delegated authority for projects that do not classify as a complex IT engagement and are not a high risk for protest.
2. Consider extending services for up to six (6) months when contracts are at risk of expiring, without a replacement contract/supplier. Please comply with [Georgia Procurement Manual](#) Section 7.6.3.

The State Purchasing Division (SPD) must receive the following requests no later than **Monday, March 1, 2021:**

- Request for Proposals (RFPs) estimated to exceed the delegated purchasing authority, and to be encumbered with State Fiscal Year (SFY) 2021 funds; and
- Proposed Sole Sources with an estimated value of \$500,000 or more to be encumbered in SFY 2021.
